

Essentials Tool Kit

Our Essentials Toolkit provides you with the essential equipment for our excavation field schools, and includes the basic tools required for excavating and drawing your archaeological remains. The toolkit costs £39 (GBP) and can be purchased on our website via the following link:

<http://www.harparchaeology.co.uk/field-schools/toolkits>

The Essentials toolkit includes:

For Excavation

- A 4-Inch solid forged WHS Archaeology Trowel; for general hand excavation work
- A soft brush; for delicate excavation
- Tool roll for holding your kit

For Drawing and Recording

- A 5m retractable tape measure
- 10m of builders line
- Two 6 inch nails for drawing points
- A line level
- Two large fold-back binder clips
- A black Bic pen
- A 4H pencil
- An eraser
- A pencil sharpener
